47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer and need broadband competition. Without it well be stuck back in the 90s where you only had at&t or comcast who charged an arm and a leg for basic service and kept raising their prices twice a year and offer less every time. Please dont set us back. we need to move forward in a positive direction. thank you
